Medication

If your son/daughter needs to take medication at school, please be sure to fill out new paperwork. Miss Kacie cannot administer medication without the proper permission. Stop by the office for the forms.

Lunch Applications

Please fill out the lunch applications and return to the office by **Friday 8/28** with your 1040 or W2. Mark your food stamp case number on the application (if applicable).

Pick up and drop off safety

If your children walk to or from school without an adult, it is good idea for one of them to carry a cell phone in case of emergencies. Please remember that in order for a child to walk home, the school must have written permission on file.

Please be sure that during pick up and drop off times, you remain aware of children and adults walking in the parking lot. At dismissal, students will not be dismissed to parents parked in the center of the lot or on the street. Parents must pick the child up from the teacher or wait in the pick up line.
